This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. LIST OF PRIVATE CLAIMS

BROUGHT BEFORE

THE SENATE OF THE UNITED STATES,

FROM THE

COMMENCEMENT OF THE 14TH TO THE CLOSE OF THE 33D CONGRESS.

PREPARED UNDER THE DIRECTION

OF THE

SECRETARY OF THE SENATE,

PURSUANT TO

THE ORDERS OF THE SENATE OF APRIL 9, 1840, FEBRUARY 27, 1841, FEBRUARY 8, 1849, AND MARCH 3, 1855.

WASHINGTON:
C. WENDELL, PUBLIC PRINTER.
1857.

LIBRARY
OF THE
LELAND STANFORD JUNIOR
UNIVERSITY.

A.1884

IN THE HOUSE OF REPRESENTATIVES,

TUESDAY, MARCH 3, 1857.

On motion of Mr. NICHOLS, from the Committee on Printing, it was

Resolved, That the "List of Private Claims" brought before the Senate of the United States be printed for the use of the House; and one copy shall be supplied to each committee room; ten copies shall be deposited in the Clerk's office for the use of said office, and one hundred copies in the library of the House for the use of the members of the House.

Attest:

WM. CULLOM, *Clerk*.

IN SENATE OF THE UNITED STATES—*April* 9, 1840.

Resolved, That the Secretary of the Senate cause to be prepared an alphabetical list of all private claims which have been before the Senate, with the action of the Senate thereon, since the commencement of the Fifteenth Congress, and that he communicate the same to the Senate at the commencement of the next session.

FEBRUARY 27, 1841.

Ordered, That the list of claims prepared by the Secretary of the Senate be completed to the close of the present session.

FEBRUARY 8, 1849.

Resolved, That the Secretary of the Senate be directed to cause the list of claims prepared by him under the resolution of the Senate of April 9, 1840, and brought down to the close of the 26th Congress, by resolution of the 27th February, 1841, to be reprinted for the use of the Senate; and that he cause the list to be brought down to the present session, incorporating such continuation in the list thus to be reprinted.

MARCH 3, 1855.

Resolved, That the Secretary of the Senate cause the list of claims heretofore prepared by him to be printed for the use of the Senate; and that he cause the list to be brought down to the close of the present session, incorporating such continuation in the list thus to be printed; and that the usual number of copies be so printed.

An alphabetical list of private claims which have been before the Senate from the commencement of the fourteenth Congress to the close of the thirty-third Congress, with the proceedings of the Senate thereon; showing the names of the claimants; the nature or object of each claim; at what session, and in what manner it was brought before the Senate; to what committee it was referred; the nature of the report, and (where special reports were made) the number of the report, if printed, and, if not, the date of the report; the number of the bill, distinguishing between Senate and House bills; the manner in which the claim was disposed of by the Senate; and, in cases where it passed both houses, the date of the act of Congress: the whole compiled from the Journals of the Senate, and by reference, when necessary, to the Journals of the House of Representatives, the reports of committees, the bills of the two houses, and the laws of the United States.—Prepared by order of the Senate.
